The following has been organised by Chris Pellett of the East Hoathly and District Preservation Society. Village Concerns Steering Committee thanks him for doing so. Please support this initiative if you are able.

¨Community Planning Alliance National Day of Action. This Saturday, 18th April meeting outside the King's Head, East Hoathly, 1.45pm before a short walk to Great Wood on Hesmond's stud (a new town in progress) overlooking the proposed Oakleigh New Town (4441 houses proposed) plus the quadrupling of Ringmer in size to create a community with the population of Chichester city. Highlighting WRONG Homes in the WRONG Places. Organised by the East Hoathly and District Preservation Society to help protect greenfield sites, the natural world and rural life. There will be a photoshoot, numbers matter, it would be lovely if you could show your support.¨
