is being heard by Wealden District Council´s Major Planning Committee this coming Thursday, the 21st at the Council´s offices in Hailsham. We encourage residents to attend so that you make your presence known.

The meeting starts at 10am and this is the first item after their preliminaries.

There will be three speakers against. Two from Village Concerns and and an East Hoathly with Halland Parish Councillor.

Attached is Village Concerns objection from earlier this year.

Also attached is a map - because Parker Dann would like to use Old Lane (one of the branches off of Buttsfield Lane to potentially access the possible new school). The residents of that Lane will be fighting against that. There is a plan to include double yellow lines at the very beginning of Buttsfield Lane as one enters from the High Street. Any objections from all of you out there would be very helpful for them. If you need any advice about that, please email Village Concerns.

And finally, the 275 new home number is in fact a little more because it will be including the homes - still to be built - in the Circle of Oaks field on South Street - already approved.

Thank you and we hope that you can attend the hearing of this Planning Application next Thursday.
