1. Parish Council Planning Meeting this **Monday, the 19th of June**. Agenda attached with times and further details, including item 10 on the Neighbourhood Plan.

2. Parish Council Open Forum, on **Monday, the 26th of June**.

"There will be an "Open Forum" session where members of the public are welcome to attend and discuss matters with Members of the Council. This will be held on Monday 26th June for half an hour, commencing at 7.00pm".

We have asked the PC to post the agenda of the Open Forum on their website as it is not on. However, the agenda of this meeting is posted around East Hoathly. It includes the Neighbourhood Plan as well.

The Open Forum idea is as a result of complaints / feedback to the PC that the 15 minutes before the PC's monthly meetings for residents to bring up issues and discuss is too short.

If the villages want the Open Forum to succeed and be repeated, this meeting needs to be well attended.

Thank you.
