Monday June 26 is the Parish Council Meeting in the Village Hall.
The meeting will be preceded by an Open Forum from 7 to 7.30pm when Councillors will answer questions from Parishioners on any matters relating to the Parish.
We hope as many people as possible will attend and take up the opportunity to engage with the Parish Council.
The open forum will be followed by the usual Parish Council with a public session from 7.30 to 7.45 with matters relating specifically to the agenda.Link below.
