Bcc:

This is scheduled for **Monday, the 11th of December at 7pm**. The Agenda is attached below and it is to discuss the Amended access proposals onto London Road. Village Concerns feels it is important to attend to let the Parish Council know the views of the residents.

Members of the public will have a chance to speak for a maximum of 30 minutes at the start of this meeting though the meeting will be an hour in length.

The next Agenda attached is for an Emergency General Meeting of the Parish Council at 8pm the same day. However, if you read number 3 on the Agenda, members of the Public will have to leave and are unable to attend this meeting. It is a touch confusing because earlier on in Bold towards the top it says the opposite. But, Village Concerns' understanding is that the Public are only able to attend in full the Planning Meeting at 7pm for an hour.

Thank you.
