Oh no, not another update so soon!

Things are moving quickly. If you want to stay informed please follow the links in:

http://villageconcerns2016.co.uk/category/wdclocalplan/

- all good news for East Hoathly.

But please continue to record (for future battles):

1. transport sagas
2. quality of service on utilities and health

And do try and get along to the WDC meetings in Hailsham (watch out for time limit in some parking areas!). Public attendance is important. Follow the above link for important dates.
