Please be aware that there is an extraordinary meeting of the PC on Monday 12th at 7.15pm (PC Clerk has resigned). See above link.

Also the planning application for 205 homes on Hesmond stud land is on the WDC website (WD/2016/2796/MAO). There are some changes to the original plans. An unexpected inclusion is a new house and stables on Ailes lane!!

There is also a link to Bramble Bank (Halland) development.

VC will be organising surgeries to inform and help people who want to object to what is a massive over-development (dates/venues to be published soon).
